**'Translate the book in to your language'**

The Lazy Project Manager is a global success in both printed and eBook format and has now been translated in to German, and is selling very well in that market.

Underway now is a Spanish language version but I would love to have more language versions available to my 'lazy' fans.

Of special interest is Mandarin, Arabic and Portuguese but all language translation offers would be seriously considered.

Do you have some time and interest in taking the 'art of laziness' in to your own language? If so then please let me know.

'Progress isn't made by early risers. It's made by lazy men trying to find easier ways to do something.' Robert Heinlein (1907 - 1988)

## The offer

The offer is to:

- Translate the book in to your home language and you can earn a royalty on future sales – there is no payment I am afraid for the translation work but you will get paid on all future sales of the translated version
- You would be a real 'partner' with The Lazy Project Manager

## And the cost?

- No cost to you at all – we would just need your time to translate the book initially
- Once your language version is published you will received a royalty payment on sales of this version of the book

## Let me know if you would like to be part of this

As ever if you have questions then please ask me –

[peter.b.taylor@btinternet.com](mailto:peter.b.taylor@btinternet.com) or I am happy to talk you through this offer.

Assuming that you are keen after we speak then I will put you in touch with my publishers, Infinite Ideas [www.infideas.com](http://www.infideas.com)

**Thank you – and be 'lazy'**

**Peter**
